ABOUT ME

I am committed, proactive and responsible. I like to be detail-oriented and dedicated. I am a fast learner, which helps me when adapting to new concepts and technologies.

I enjoy working in teams that value and encourage respect and responsibility, as I strongly believe that a collaborative and positive environment boosts performance and job satisfaction.

I have knowledge in React, NodeJS, API, HTML, CSS, Javascript, SASS, Bootstrap, Tailwind, Github, Material UI, Photoshop and also tools like Trello and SCRUM methodology.
